

TRAILER BOAT STORAGE INFORMATION

Location

Port San Luis operates a trailer boat storage yard on a site 50 yards east of the Diablo Canyon power plant entrance gate and within the Flying Flags Avila Beach camping resort. The storage facility accommodates vessels up to 28' in length as documented on the boat title/registration. Spaces are numbered and patrons are assigned a space by District staff. Only one boat and trailer are permitted per space.

Permit Process

The monthly rate is \$88.00 per month. Space rent is billed quarterly (\$264.00) and payment in advance is required. A current copy of the boat and trailer registration and a completed storage permit are also required. Patrons wishing to obtain trailer boat storage must apply at the Harbor Office during regular business hours (Monday through Friday, 8:00 AM to noon and 1:00 PM to 4:30 PM). For further information or to obtain a permit, please contact the Harbor Office at (805) 595-5400, ext. 0. The District requires 30-day written notification to cancel a boat storage permit.

Security

The storage yard is fenced but not fully paved. The yard has its own entrance gate with a combination lock. Only those with an approved permit are given the combination. Harbor Patrol Officers are generally on duty from 6:00 AM until 8:00 PM, after which time a night security guard is on duty. The yard is regularly patrolled. Still, patrons are advised not to leave loose gear (such as fishing tackle) or electronics on board.

Other

Working on boats in the storage yard is not allowed. Contact Port San Luis Boatyard at (805) 595-7895 to make arrangements for working on your boat. Sleeping/camping, open fires, welding, or cutting are strictly prohibited. Patrons must keep their site clean and free of weeds and debris. Those who wish to use their boats for extended periods on the water may rent a guest mooring from the District. Guest moorings are available on a first come, first served basis and the current rate is \$18.00 per night. Payment can be made at the Main Office or with the Water Taxi Host. The Water Taxi Host can be reached by calling (805) 305-4796.

Thank you for your interest in Port San Luis.
