

## **HARBOR MANAGER**

### **Activity Report June 2019**

- **Harbor Terrace**

- Completed vacation of old accounting office and initial removal of asbestos by contractor.
- Met with Rick Rengel and Department Managers for the Harbor Terrace status meeting.
- Completed relocation of gear storage to Avila Parking lot.
- Continued work on securing off-site storage for District harbor yard supplies.
- Met with County Planning and Legal Counsel regarding seatrains in Avila Beach.

- **Meetings**

- Met with Legal Counsel and President Vessely regarding agenda construction/streamline.
- Held the quarterly Avila Paddlesports meeting.
- Met with Castle Winds Operations and Maintenance Team to answer general questions regarding Port San Luis facilities.
- Attended by phone the summer California Harbor Masters and Port Captains Board meeting.
- Organized and attended the quarterly Special Districts/CSD Managers meeting.
- Met with the Employee Recognition and Morale committee.

- **Other**

- Phone conference with Susie Ming, USACE regarding funds for a CAP 107 (dredging project).
- Chaired a questions and answer session for SLO Chamber of Commerce with Assemblyman Cunningham.
- Hosted the Southern Section California Harbor Masters and Port Captains meeting.
- Attended the Change of Command Ceremony for Coast Guard Station Morro Bay Chief.

**BUSINESS DEPARTMENT**  
**Activity Report – June 2019**

• **Property Management**

- Mooring / Boat Storage Patrons:
  - Mailed out 14 overdue letters, researched and worked on collection of past due accounts.
  - Reviewed June Rental Mooring and Work Dock logs; collected payment from 1 patron.
  - Processed and mailed letters for July mooring inspections; processed work orders: Zone 3, 5 patrons and 7 District moorings.
  - Received and reviewed applications and prepared work orders for four new moorings; updated database.
  - Processed one skiff permit termination request.
  - Met with patrons and processed one mooring permit transfer.
  - Contacted fishermen regarding status of 2019/20 Commercial Fishermen's Discount Program applications.
- Lease/License
  - Attended Quarterly Avila Beach Paddlesports meeting.
  - Lease Negotiations for lease site in Trailer Boat Building and Harford Pier held.
- Special Events:
  - Processed three Special Event Permit applications:
    - Weddings: (3)
- Camping
  - Assisted patrons with making RV camping reservations; responded to camper emails; contacted Trailer Boat Camping patrons to obtain vessel CF numbers.
  - Created list of other local RV Campgrounds for patrons who arrive without a reservation.

• **Budget / Finance / Accounting**

- Collected and processed \$80,302 in cash and credit cards for the Avila Parking lot.
- Collected and processed \$58,330 for a total of 398 reservations.
- Reviewed Commercial Fishermen discount program paperwork and prepared discount in accounting software.
- Prepared flyers for the Annual Discount Program.
- Organized presentation for deferred compensation plan with Mass Mutual.

• **Administration**

- Attended GovInvest Webinar.
- Verified Minutes from 1990s in electronic version on server or scanned to create electronic version.
- Processed (2) Requests for Public Records.
- Posted May 2019 Newsletter on the District website.

- **Human Resources, Benefits & Payroll**
  - Hosted Mass Mutual Retirement Update for Employees.
  - Onboarded new Harbor Patrol Officer.
  - Opened recruitment for Port Maintenance Worker I/II (2 positions).
  - Worked on background for 2 new Harbor Patrol Officers.
  - Made offer and opened background check for new Planner Analyst.
  - Provided Ethics training for completion by Harbor Commissioners and Management.
  - Provided Harassment Prevention Training to Harbor Commissioners and supervisory staff.
  - Started preparing for Health Fair for late August.
  - Opened emergency recruitment for new Camp / Water Taxi Hosts due to unexpected vacancy.
  - Participated in Employee Recognition & Morale Committee meeting.
- **Automation & Information Technology Issues**
  - Updated SB272 program and website.

**FACILITIES DEPARTMENT**  
**Activity Report – June 2019**

**San Luis Bay (Open Water)**

- Met with Castle Winds regarding potential wind farm
- Had drone photograph Port

Moorings / Buoys

- Built and set Seasonal Mooring S-01
- Replaced damaged buoy on Mooring #529
- Built and set 3 Moorings (#500, #430, #630)
- Performed 1 pull and buyback

Dredge

- Inspected dredge pipe
- Utilized LCM to blow out chute (2x)
- Received and wired new panel for second dredge pump
- Dredged 20 days
- Moved dredge set up 4 times
- Contracted with Tenera to perform Grunion Surveys (8)
- Attended conference call with US Army Corps of Engineers regarding potential large-scale dredge project

**Lighthouse**

- Contracted with Golden State Paving to repair asphalt after water line repair
- Removed coyote bush around tank site

**Harford Pier**

- Replaced section of Bent Cap 18 under roadway
- Replaced 3 piles at Bent 18
- Changed seaward camel line, cleaned and inspected ballast rigging at Hoist 2
- Responded to gas leak at Mersea's Restaurant
- Changed seaward camel line, cleaned and inspected rigging at Hoist 3
- Striped centerline, crosswalk
- Striped loading zones, parking spots, and fire lane at end of pier
- Moved incorrectly placed crab pots in Pod 1 to accommodate maintenance on Patriot camel
- Adjusted brake on Hoist 3
- Installed portable restrooms near Olde Port Fish
- Repaired pile roller at Public Floating Landing
- Repaired upper gate at Public/H.P. Landing
- Installed shoring and work platform at Bent 18
- Removed debris from dive cleanup
- Pumped 5 gallons of sewage from a visiting vessel
- Contracted with Howie to move improperly placed crab pots seaward of canopy

**Harford Landing**

- Repaired damaged door mortise at Shower 2
- Repaired damaged coin acceptor at Shower 2

- Replaced damaged shower heads in Showers 2 and 3
- Replaced diaphragm in women's ADA stall
- Replaced vandalized dryer ducting in Laundry Room
- Reset light timer
- Installed shelving in Administrative Office
- Painted exterior of sea containers in Maintenance Yard
- Repaired damaged deck board on Trailer Boat Launch Dock
- Approved contract for revetment and jetty scanning

#### **Harbor Terrace**

- Utilized backhoe to remove debris left in Gear Storage spaces
- Emptied and returned 40yd dumpster on hill for use by the Gear Storage patrons (5x)
- Responded to an after-hour call out for a water leak at the top of Babe Lane
- Emptied and returned 30yd dumpster of recycled metal (2x)
- Started removing chain link fencing from Gear Storage spaces
- Moved PSLCFA inoperable forklift to Avila Gear Storage area
- Installed "No Trespassing" signage at entrance to old Gear Storage area
- Started process of cleaning Wood yard in preparation of relocation
- Discussed utilities and improvements for Harbor Use areas
- Responded to Requests for Information
- Corresponded and assisted with contractor for asbestos abatement

#### **Fisherman's Beach / Nobi Point**

- Filled potholes in camping area
- Removed mustard plants along Nobi Point and Old Woodyard RV area
- Cleared vegetation from walkways
- Exposed delineation markers in camp sites

#### **Olde Port Beach**

- Removed ashes from fire rings
- Removed graffiti from women's restroom
- Utilized backhoe to add sand to staircase
- Utilized backhoe to remove sand from ramp
- Flushed sewer main

#### **Cal Poly Pier**

##### **Avila Beach Parking Lot**

- Painted tops of Gear Storage containers
- Continued weed abatement efforts
- Graded dirt areas in Parking Lot to remove trip hazards
- Striped "No Parking" and Fire Lanes
- Installed "No Parking" signage in front of Gear Storage access gates
- Installed keyed padlocks on Gear Storage access gates
- Removed signage post inside Gear Storage area
- Met with County Planning regarding Minor Use Permit for storage container placement

##### **Avila Beach**

- Repaired shower tower
- Flushed sewer main
- Removed graffiti from Men's ADA restroom stall (2x)

- Replaced vandalized sanitary napkin holder in women's restroom
- Utilized backhoe to add sand to Lifeguard Towers

#### **Avila Pier**

- Inspected water line on Pier
- Removed vandalism from hand railing
- Submitted contract to Moffatt & Nichol for updated pier inspection

#### **Avila Beach Drive**

- Picked litter along Avila Beach Drive

#### **Sewer / Wastewater Treatment Plant**

- Contracted with FRM to install new control panel in Liftstation 1
- Removed hydrocarbon contamination from Liftstation 1
- Cleaned debris from check valves in Liftstation 3
- Troubleshoot vacuum leak on pump 2 at Liftstation 3
- Attended meeting regarding WWTP upgrades with ABCSD and MKN Associates
- Attended Avila Beach CSD meeting

#### **Production / Equipment / Supplies**

- Repaired skid plate on reach lift
- Replaced pump on oil drum
- Fabricated new end plate for Work Dock
- Welded new pile roller bracket for the Public Landing
- Performed end-of-year inventory count of all Mooring supplies
- Loaded 350' of ½" chain
- Ordered connection plates for air hammer to be used with reach lift
- Met with ESRI regarding GIS software
- Continued scanning documents

#### **Personnel / Training**

- Conducted Planner Analyst interviews and extended offer; offer accepted
- Attended Staff Meetings
- Attended Harbor Terrace status meetings
- Completed First-Aid Refresher Training
- Attended deferred comp meeting
- Said farewell to Tyler Kritz

#### **Misc.**

- Annual inspection and service on fire extinguishers
- Continued process of storing communal files on the server
- Updated Vehicle Maintenance sheets
- Continued organization of Maintenance tools, supplies and storage areas
- Submitted annual Consumer Confidence Report for water quality

## Quarterly Reports

### Harford Pier

#### **Staff Landing Update:**

A CEQA exemption has been filed with the County Clerk. Moffatt & Nichol have been contracted to provide stamped construction documents. A Coastal Development Permit (CDP) will be applied for with the Coastal Commission. In initial conversations with Coastal Commission staff, it is believed that the Staff Landing will be approved by a waiver. The goal is to have the Landing completed prior to the next storm season. Currently, the project is expected to be completed within budget.

#### **List of scheduled projects on Harford Pier:**

The Pier Crew has completed the bent #18 cap replacement and pile driving. The Pier Crew was successful in using the air hammer with the reach lift, allowing the crane to be used simultaneously to dredge. Use of the air hammer with the reach lift will be easier and more practical with attachments that are currently being fabricated.

As dredging is tentatively complete for the season, the Little Giant will be repowered at the end of July or the beginning of August. The timing of this works well as the Pier Crew will assist with the relocation of materials from Harbor Terrace. With the relocation and short staffing of the Pier Crew, projects may be delayed accordingly.

1. Following the relocation and re-staffing, the plan is to fix the area behind Olde Port Fish and the area in front of Hoist #4. This will include removing concrete and the old hoist, repairing the stairs, removing the old lift station, and replacing the area with new pier materials.
2. The Staff Landing Addition is to be constructed in late summer/early fall. This will be dependent on permitting and construction documents. With the air hammer, it is now possible to do the job in-house which will greatly reduce potential costs. The Pier Crew will be able to achieve the reach it needs by reconfiguring the grating. The piles will likely be held in place with the reach lift while they are driven with the air hammer.
3. As time permits, the project in the roadway at the terminus will continue from where it was left in April 2018. Much of this will depend on the timing of other projects.
4. The area under the Fish Cleaning Station is in poor condition. Since it is not in the roadway, it is not in imminent danger of falling into disrepair. The timing of this was to avoid conflicts with fishing season.
5. With completion of the Fish Cleaning Station, the Pier Crew plans to focus on the area under the canopy, in front of the Harbor Patrol office. This is the final section of this area which did not get rehabilitated during the major 2013-2014 terminus project. When that is complete, the area will be structurally ready for restaurant relocation.
6. Piles/Caps/Stringers and Decking around Hoist #3 need to be replaced. This project has been postponed for the time-being.

Quarterly Maintenance Report - Q2 2019

Item Number	Transaction Type	Service/Material Provider	Description	Total Cost
Trash Truck 2014	Contract Services	The Tire Store	New front brakes Truck	\$ 727.94
	Labor	Facilities Dept.		\$ 86.30
Wheeled Weedeater	Materials	Noble Saw	Repair Husqvarna Weedeater	\$ 43.25
	Labor	Facilities Dept.		\$ 18.16

	Materials	PSL Boatyard	Sponson Patch Leaking at Bow	\$ 436.11
	Labor	Harbor Patrol		\$ 105.00

## Recurring Tasks

1. **San Luis Bay: Moorings/LCM**
    - Completed 18 scheduled work orders
    - Run Fire pump and aux. motor
    - Blow out Mobile Hoist chute
    - Fueled LCM
    - Monthly safety LCM check and restock supplies
    - Performed, recorded, and corrected soundings
  2. **Lighthouse**
    - Monitor chlorine levels at water towers
    - Inspect drain interceptors on LH road
    - Clean debris and vegetation
    - Attend Lighthouse Keepers Board meeting
  3. **Harford Pier**
    - Remove graffiti / made vandal repairs
    - Pressure wash Fish Cleaning Rack / other locations
    - Lube and maintain hoists (inspect cable, etc.)
    - Detail/Maintain restrooms as needed
    - Empty Fish Carcass totes
    - Grease Public Floating Landing
    - Repair uneven deck boards surfaces
    - Replace choke chains on camels
    - Pulled saltwater pump intake line and clean screen
    - Exercise fire hydrants
    - Pound raised deck spikes/nails
    - Detail acct. offices
  4. **Harford Landing**
    - Landscape maintenance / sprinklers
    - De-web buildings
    - Repair / Replace plumbing and lighting fixtures
    - Sweep Boat Wash area and gutters
    - Janitorial services

**Coastal Gateway Building**

    - Detail / Maintain / Repair restrooms, showers, laundry and flush floor drains, vents, etc.
    - Detail / Maintain Meeting / Conference Center
    - Detail / Maintain and pressure wash restrooms as needed
    - Sweep concrete drain gutters
    - Set up / Configure conference room per usage
    - Pressure wash showers and sidewalks
  5. **Harbor Terrace**
    - Landscaping / Weed abatement
    - Drainage
  6. **Fisherman's Beach**
    - Removed trash and debris from steps/beach
  7. **Olde Port Beach**
    - Removed graffiti, pallets, broken glass, etc.,
    - Clean / Sweep stairs and ramps (ADA & Boat)
    - Rocks back on revetment (fires outside rings)
    - Build up sand around Lifeguard Towers (seasonal)
  8. **Cal Poly Pier**
  9. **Avila Beach Parking Lot**
    - Clear trash from parking lot daily
    - Landscape maintenance
    - Clean / Weed drainage ditch
    - Placed additional trash cans for Spring/Summer
  10. **Avila Beach**
    - Replace lights as necessary on handicap ramp, amphitheater sea wall
    - Janitorial services
  - Inspect building exterior lights and sea wall lights
  - Inspect swing sets and slide
  - Repair / Replace plumbing and lighting fixtures
  - Sweep steps/blow off sidewalks and amphitheater/pressure wash/clean tables, benches, BBQs
  - Empty trash and ash cans
  - Flush floor drains
  - Grade sand at steps and Lifeguard towers
11. **Avila Pier**
    - Detail / Maintain restrooms, showers
    - Sweep, pressure washed and removed graffiti
    - Pressure wash benches, fish cleaning station
    - Repair / Replace plumbing and lighting fixtures
    - Exercise fire hydrants
    - Pound raised deck spikes/nails
  12. **Avila Beach Drive**
    - Litter picked highway
    - Landscape maintenance
  13. **Sewer / Wastewater Treatment Plant**
    - Lube pumps and motors at Lift Stations, log & date
    - Keep solids broke up at all lift stations
    - Prepare flow report, copies to ABCSD + file
    - Lube and inspect pumps and motors in Lift Stations #1, 2, & 3
    - Cleaned and sanitized all sewer lift stations
    - Removal of solids in Lift Stations
- Regulatory**
- Conduct monthly CIWQS Report
  - Perform monthly SWPPP inspection
  - Update SDS binder
  - Replace clarifier pillows
- Production / Equipment / Supplies**
- Prepare end of month diesel facility log (price change)
  - Read water meters
  - Wash vehicles
  - Cleaned and serviced weed eaters, chain saw and mower
  - Fuel Vessels / Track and Log (52)
  - Oil Changes / Wash Vehicles
  - Crane Annual Service
  - Trailer Boat Hoist Annual Service
  - Perform Small Tool Maintenance
  - Quarterly vehicle reports
- Personnel / Training**
- Organize Staffing Levels
  - Monthly safety meeting
  - Employee Evaluations
- Miscellaneous**
- Collect coins from hoists, showers, boat wash
  - Empty/Maintain trash cans and ash barrels
  - Assigned AWP and Cal Fire crew
  - Paint / Locate new trash & ash cans
  - Disposing of dead sea lions and gathering dead birds from land and water
  - Change/replace/add signage
  - Changing spent step, handicap ramp, building, and streetlamp light bulbs throughout District
  - MO janitorial
  - Removal of graffiti throughout District
  - Adjust light timers as needed

**HARBOR PATROL**  
**Activity Report – June 2019**

- Responded to medical aid onboard F/V PATRIOT. Met the vessel offshore and transferred the patient to Boat 2 to return to shore and waiting medics.
- Responded to a possible natural gas leak at Mersea's restaurant located on the Harford Pier.
- Contacted multiple subjects illegally camping on Olde Port Beach.
- Responded to a report of a diesel sheen in the mooring field but were unable to locate once on-scene.
- Hauled Water Taxi for scheduled maintenance at PSLBY.
- Responded to Avila Beach for a found child at Lifeguard Tower #2.
- Welcomed Dan Donnahoo to the Harbor Patrol Department.
- Contacted several subjects speeding inside the harbor on small craft.
- Responded to a medical aid for a subject having difficulty breathing.
- Contacted a subject with no sewage tank that had made reservations to camp; subject was educated to camping requirements.
- Responded to and towed a disabled vessel inside the harbor.
- Responded to two fires reported on the Harford Pier.
- Received a report of vandalism at the Coastal Gateway laundry facility.
- Responded to 2 subjects on Avila Beach selling goods without a District license.
- Received parts and conducted repairs to Boat 1 (Radon). Power trialed and tested with satisfactory results.
- Worked with Business Department staff and Camp Hosts regarding several RV camping issues.
- Multiple contacts for dogs on Fisherman's Beach.
- Conducted tow for a 26' vessel Dead in the Water off Shell Beach.
- Participated in training with the County's Office of Emergency Services on the Emergency Alert & Notification system and Route Alerting procedures.
- Assisted the Army Corps of Engineers with conducting breakwater surveys.
- Responded to a report of a suspicious subject filming the entrance to Diablo Canyon from District property. The subject, who was wearing military style clothing and had multiple cameras, was conducting a 1<sup>st</sup> Amendment audit in order to make sure his rights are not violated by public agencies.
- Received a report of an overdue commercial fishing vessel operating out of PSL. Officers worked with USCG Sector Los Angeles and were able to determine that the vessel and crew were in no distress and were conducting fishing-related operations.
