

STAFF REPORT

TO: Lighthouse Committee
FROM: Chris Munson, Facilities Manager
DATE: March 10, 2022
SUBJECT: **Educational Signage: Cal Poly Radar Monitoring Equipment**

Recommendation / Proposed Motion

- Recommendation: Receive report on proposed educational signage.
- Staff recommends the Lighthouse Committee review the proposed signage and recommend approval to the Harbor Commission.

Policy Implications

Restoration and operations of Point San Luis Light Station have been completed by the Lighthouse Keepers and the Harbor District and conforms to the Historic Structures Report and MOU.

Fiscal Implications / Budget Status

The Lighthouse Keepers, through Port San Luis Harbor District, fulfill an agreement with the National Park Service to restore, maintain, and operate the Light Station "...premises as, and for public park and public recreation area...". Funds generated by the Lighthouse Keepers go directly toward these ongoing efforts.

Alternatives Considered

The following actions were considered but are not recommended at this time:

- None at this time.

Discussion

Cal Poly has relocated their radar equipment from the cliff, located near Coast Guard Beach, to another location. Cal Poly has submitted a request to be able to place educational signage regarding the equipment, near the location of the equipment, for all visitors to view.

Conclusion

Staff recommends the Lighthouse Committee review the proposed signage and recommend approval to the Harbor Commission.
