All Public Areas shall be subject to the exclusive control of District, and Licensee shall comply with all rules and regulations for the use of the Public Areas that District may establish from time to time. Licensee shall have the non-exclusive right during the term of this License to use the Public Areas for itself, its employees, agents, customers and invitees, subject to the terms and conditions set forth in this License. Licensee shall not place any item on or otherwise obstruct or cause to be obstructed any portion of any area of the District outside the Premises (including, but not limited to, any sidewalk or any portion of the Public Areas), whether adjacent to the Premises or elsewhere, without first obtaining District's express written approval.

C. EASEMENTS

District reserves the right to grant and reserve easements or fairways to establish and use right-of-way over, under, along and across the Premises for utilities, thoroughfares, moorings or access as it deems advisable for the public good. However, unless this License is terminated, District shall not unreasonably or substantially interfere with Licensee's use of the Premises. District will pay the costs of maintenance and repair of all District installations made pursuant to these reserved rights.

Use of the premises is subject to receipt and maintenance by Licensee of all required approvals, permits, licenses and authorization (collectively, "Approvals") from all federal, state, and local agencies having jurisdiction over the Premises or the uses authorized by this License. Occupancy shall not occur until such Approvals are secured by Licensee. Occupancy shall be immediately terminated if any such necessary Approval is terminated, expired or no longer in effect. It is further understood that it is the responsibility of the Licensee to research and maintain compliance with all federal, state, and local approvals as may be required for the above-described uses of the premises.

Licensee shall not use the Premises or the Public Areas in any way that will constitute waste, nuisance or unreasonable annoyance to (i) owners or occupants of adjacent properties; (ii) other

tenants of District; or (iii) the public. Licensee shall not do anything on the Premises or Public Areas that will cause damage to the Premises, the Public Areas or any other areas of the District. The existence of the twenty percent (20%) [or double amount negotiated] charge in this Section and the payment of this charge or any part of it, does not constitute an authorization for a particular service or use, and does not waive any of District's rights to terminate a service or use or to default Licensee for participating in or allow any unauthorized use of the Premises.
